The Art of Real Brewing

The beer market is ever-changing and, at Wadworth, we're proud to be at the heart of that evolution from our state-of-the-art brewhouse in Devizes, Wiltshire.

From the iconic Grade II listed Northgate Brewery, to the Folly Road Brewhouse, our home since 2022, our heritage in Devizes stretches all the way back to 1875. Plenty of time to learn what goes into making a great pint!

Drawing on centuries of tradition, while embracing modern touches, we're proud to produce an outstanding range of Wadworth cask ales, Folly Road craft beers, and a rotating selection of seasonal brews. Whether your tastes are traditional, or you're in the mood for something more modern, we're sure we'll have the perfect pint for you.

With community at the centre of every step of our journey, and sustainability an essential part of our future, real brewing, real pubs and real impact are still at the forefront of everything we do, even after 150 years.

Cheers!
